## Alf Rendell Photography Scholarship 2019

### **Background**

Alf is well known in Tauranga. As a 17-year-old school leaver, he followed his father (Robert) into photography, and after serving in the army during WWII, Alf returned home and ran the family-owned photography business - a business which Alf's son also eventually took over from him.

Between 1946 and 1956 Alf had friends who were learner pilots and it was during flights with them that he discovered a passion for aerial photography. These photographs remained unpublished until a few years ago when Alf decided they could be put to better use. Alf's 160-page book 'Tauranga - Historic Tauranga From Above' was published and stocked in local bookstores.

The profit from this publication is donated to Toi Ohomai Institute of Technology in the form of the 'Alf Rendell Photography Scholarship'. Each year, one student from either the Bachelor of Creative Industries course or the Bachelor of Creative Technologies course with a keen interest in photography will be awarded the scholarship.

### **Value**

One award of \$2,000 will be paid directly to the scholarship recipient.

### **Eligibility**

Any student who is studying the Bachelor of Creative Industries (Tauranga) or Bachelor of Creative Technologies (Rotorua) in 2019 can apply.

Applicants must submit a photography portfolio.

Open to New Zealand citizens and permanent residents only.

### **Closing Date**

The final date for applications will be 4pm Friday, 1 November 2019.
