

GRADUATION

2023

TOI-OHOMAI

Tēnā koutou katoa,

Welcome to your 2023 Toi Ohomai | Te Pūkenga Graduation.

It is a privilege to share this very important celebration with you, our ākonga. I'd like to acknowledge all the hard work you have put in to get here, the obstacles you have overcome, and the knowledge and experiences you have gained while at Toi Ohomai.

Today is a great time to reflect on your tertiary journey while celebrating your success. You are walking away with far more than just a qualification - you are a different person to when you started your study having gained your independence, confidence and sense of self. You have also made new friendships and connections that you will take with you and cherish throughout life.

It is also heartening to see your support networks here today, bursting with pride. Many of your whānau and friends have travelled a long way to be here, and I'd like to acknowledge the ongoing support they have provided you throughout your course which has contributed to your success.

I always enjoy hearing the many inspiring stories of Toi Ohomai graduates who have gone on to achieve great things in different corners of the world, from small rural towns in Aotearoa to the Northern Hemisphere's largest metropolitan cities. From here, I wish you every success in your future pursuits. You have the skills, ability, resourcefulness and resilience you need to achieve your goals and aspirations whatever they may be. I look forward to applauding your achievements as alumni of our institute.

Congratulations to this year's 3,130 Toi Ohomai graduates. You can all be exceptionally proud of what you have accomplished.

Ngā mihi nui,

Dr Leon Fourie

Students

Graduation dates are very special days for all of us!

For our graduates, congratulations! This is a milestone that acknowledges your hard work, commitment, sacrifice and achievement. You have developed new skills and knowledge, connected with your industry and have probably already taken the next step on your journey.

For whānau and friends, today is an opportunity to celebrate the achievement of someone you love. It's always special to see the achievements of those we love acknowledged by others. Know that you are not alone in your pride today.

Staff

For Toi Ohomai | Te Pūkenga, our Council and kaimahi (staff), our graduations remind us of why we are here. Education can be a truly life changing experience - and seeing our graduates excited and ready for the future reflects what is possible for everyone.

The 2023 Graduation Ceremonies are also significant as they are the first graduation ceremonies since Toi Ohomai become fully part of Te Pūkenga - New Zealand Institute of Skills and Technology. That means the qualifications we are awarding today come from Aotearoa New Zealand's largest education provider.

We hope that for everyone this will be one of the truly memorable days of your lives.

A special congratulations to all of our graduates - we know your next steps will bring credit to yourself, to your families, to Toi Ohomai | Te Pūkenga and to the communities in which you live and work. Enjoy your day and your success. We are proud of you.

Mā te kimi ka kite. Mā te kite ka mōhio. Mā te mōhio ka mārāma

Seek and discover. Discover and know. Know and the world of light is yours to behold.

Ngā mihi nui,

Dr Leon Fourie

God of Nations at Thy feet,
In the bonds of love we meet,
Hear our voices, we entreat,
