

New Zealand Certificate in Animal Technology (Level 5) – Strand in Veterinary Nursing Assistant

Programme Pre- selection Work Experience/ observation Attestation

The entry criteria for our newly developed course – New Zealand Certificate in Animal Technology – Veterinary Nurse Assistant, now requires applicants to complete a minimum of 3 days observing in a veterinary practice.

How to use the attestation form:

- print this form and take it with you when you complete your work experience/ observation;
- give it to your supervisor on arrival and explain that you need it filled in for your selection onto the NZCAT- Vet Nursing programme;
- remember to collect it at the end of the day.

Once you have completed your work experience/observation days:

- check that your form is complete;
- submit this form together with your application
