

GRADUATION
2022

TOI-OHOMAI

Tēnā koutou katoa,

Welcome to your 2022 Toi Ohomai Institute of Technology Graduation.

First and foremost, I wish to congratulate you, our new graduates, on your tremendous achievements. Today, we are celebrating the achievements of 3,921 of our proud graduates/graduands, and each of you belong to a unique group of ākonga who've navigated through the change and challenges of studying during a global pandemic, showing grit and resilience to achieve your qualifications.

Lockdowns and public health restrictions have meant your tertiary experience has been different from what you would have expected when you began your studies, with increased online learning, timetable changes and fewer student life activities. Nevertheless, you have risen to the occasion, persevered and remained committed to your study, your chosen vocation, and the aspirations you hold for your future self.

While we were unable to hold a traditional graduation ceremony this year, in light of the Government's current Orange setting, today's Graduation Photography Session equally recognises this significant milestone in your life. So today we celebrate your hard mahi (work), manawanui (dedication) and paetae (achievement) before you move on to the next stage of your life which is full of possibility.

I expect each of you are walking away with far more than just a qualification. You'll take with you the Toi Ohomai values, new friendships and connections which will help guide your future path and set you up for success. The knowledge and skills you've gained will not only change your own life – you'll also have greater opportunities to positively affect the lives, workplaces and communities of everyone around you.

In the years ahead, I look forward to applauding your success and achievements as alumni of Toi Ohomai Institute of Technology.

Ngā mihi nui,

Dr Leon Fourie
Chief Executive, Toi Ohomai Institute of Technology

Nau mai, haere mai,

Congratulations, graduates on this significant achievement. You have proven yourselves to be resilient, resolute and hard-working, successfully completing your qualifications as COVID-19 continued to change the way we live, work and study.

Each of you can be very proud of what you have accomplished. Today is the realisation of a personal goal you set and pursued. Consider the many hours of work you have put in, the changes and challenges you went through to get here, and the people who have helped you. Significant achievements are rarely made by individuals on their own. Instead, they are made by people working together.

I would like to recognise your friends and whānau for being here to celebrate with you today and for their part in your success, through encouragement, guidance and support. I'd also like to acknowledge the dedicated teaching staff who have partnered with you in your learning journey and are also in attendance today.

Graduations are a great demonstration of our Toi Ohomai values in action; kotahitanga, toitūtanga, whanaungatanga and manaakitanga; and for our kaimahi I know graduation days are often their favourite days of the year.

Ākonga, remember that your learning does not end today. Tomorrow and every day will provide you with new opportunities to gain more knowledge and learn new skills as you pursue your chosen vocations. I trust that you will continue to embrace and follow the essence of our name, Toi Ohomai – to aim high and achieve great heights, to be awakened by learning.

We are confident that you will go far in your life and in your chosen career, we have been blessed to have you study with us.

Today though, we celebrate.

Nāku noa, nā,

Catherine Cooney
Chairperson, Toi Ohomai Board of Directors
