

## Qualifications by Faculty:

### **Business, Design and Service Industries:**

Accounting  
Applied Hospitality and Tourism Management  
Applied Information Technology  
Applied Management  
Arts and Design  
Barbering  
Beauty Therapy  
Business  
Communications Media  
Computing (Intermediate User)  
Conveyancing  
Cookery  
Creative Industries  
Culinary Arts  
Digital Media and Design  
Food and Beverage Service  
Hairdressing  
Hospitality Innovation  
Hospitality Management  
Immigration Advice  
Information Technology  
Information Technology Technical Support  
International Freight Logistics  
Legal Executive Studies  
Makeup and Skin Care  
Management  
Music  
Networking  
Project Management  
Real Estate  
Software Development  
Supply Chain Management  
Tourism and Travel  
Tourism Innovation  
Web Development and Design

## **Health, Education and Environment:**

Adult and Tertiary Teaching  
Adult Literacy and Numeracy Education  
Animal Care  
Animal Management  
Animal Technology  
Applied Professional Studies  
Cert 4 Fitness  
Computing (User Fundamentals)  
Diving  
Early Childhood Education  
Education Support  
English Language  
Enrolled Nursing  
Environmental Management  
Foundation Skills  
Health and Rehabilitation Studies  
Health and Wellbeing  
Infection Risk Management  
Māori Governance  
Mentoring and Professional Leadership  
Nursing  
Outdoor and Adventure Education  
Outdoor Experiences  
Skills for Living for Supported Learners  
Social Work  
Sport, Recreation and Exercise  
Sterilising Technology  
Study and Career Preparation  
Te Reo Māori  
Therapeutic and Sports Massage  
Whānau Ora  
Youth Work

## **Primary Industries, Trades and Infrastructure:**

Agribusiness Management  
Agriculture  
Apiculture  
Applied Horticulture  
Architectural Technology  
Automotive Electrical Engineering  
Automotive Engineering  
Carpentry  
Commercial Road Transport  
Conservation  
Construction  
Construction Trade Skills  
Distribution  
Domestic Maritime Crewing  
Electrical  
Engineering  
Engineering Fabrication  
Fishing Vessel Crewing  
Forest Harvesting Operations  
Forest Industry Foundation Skills  
Forest Management  
Forestry Operations  
Heavy Automotive Engineering  
Horticulture  
Horticulture Production  
Light Automotive Engineering  
Maritime Crewing  
Maritime Operations  
Mechanical Engineering  
Organic Primary Production  
Pest Operations  
Primary Industry Operational Skills  
Primary Industry Skills  
Solid Wood Manufacturing  
Surveying  
Workplace Health and Safety Practice
